New Vision key staff members become certified patient service specialists

Ruth Weathington, Jennifer Jackson, and Maria Ruiz

By Carrie Ludicke

New Vision Eye Center announces that employees Ruth Weathington, Jennifer Jackson, and Maria Ruiz have earned the credential of Certified Patient Service Specialists (CPSS).

To earn this designation, they completed coursework which focused on increasing the quality of patient care and then passed the comprehensive computerized certification test offered through BSM Consulting. This certification is exclusively awarded to medical office professionals who have achieved a national standard of excellence.

Minotty explains, "This certification is a testament to these staff member's professionalism, attention to detail and expertise. We are understandably proud of Ruth, Jennifer, and Maria."

New Vision Eye Center continues to be committed to providing the highest quality patient care. For more information on New Vision Eye Center, please call 772-257-8700 or visit their website: NewVisionEyeCenter.com
